NEW.Mech 2019 at UMass Amherst

Saturday, October 5th, 9am-7pm

A one-day workshop that aims to bring together the New England Mechanics community to share the latest advancements in the field

UMass Amherst is excited to be hosting New.Mech. This year we will have plenary talks from three invited guest speakers, selected short talks and a poster session. There is no cost to register, and breakfast, lunch, and reception are included.

Students are strongly encouraged to attend and contribute

This workshop is made possible by generous support from

UMass College of Engineering

UMass College of Natural Sciences

Umass Institute of Applied Life Sciences

Center for UMass / Industry Research on Polymers
